

INVITATION TO PARTICIPATE

GOJ INCENTIVE SCHEME FOR THE **'OWN YOUR OWN DEVICE' (OYOD)** PROGRAMME FOR JAMAICAN STUDENTS

e-Learning Jamaica Company Limited (e-Learning Jamaica) an agency of the Ministry of Science, Energy and Technology in partnership with the Ministry of Education, Youth and Information invites applications from interested Information and Communications Technology (ICT) suppliers to partner with the Government of Jamaica (GOJ) incentive scheme for the 'Own Your Own Device' (OYOD) programme.

Objective

Through the OYOD programme, the GOJ will offer a subsidy to a selected group of students enrolled in public institutions or approved private institutions, for the purchase of a tablet or laptop. The programme will be facilitated via an e-voucher system implemented with the collaboration of participating resellers.

Eligibility

We are seeking to identify interested and suitable ICT resellers who possess the ability and willingness to partner with us to offer laptops and tablets under the OYOD programme.

Interested ICT resellers will be evaluated based on certain eligibility requirements. Resellers who satisfy the eligibility requirements will be deemed a 'Certified OYOD Partner' by e-Learning Jamaica for participation.

For more information on the programme retailers/resellers are asked to submit an email to procurement@elearningja.gov.jm

Interested participants are also invited to join a Virtual Meeting on **Tuesday, November 3, 2020 at 10:00 a.m.**
Details will be sent via email
